Grammar 2

Date: _____

plenty of, a few and a little

Natalie is writing a diary entry about her day with Dora. Complete the diary entry by circling the correct words. 

16 February

Today, Dora and I went to a department store to buy something green for Betty. We found a snack shop selling ① (a few / a little / plenty of) green biscuits. The shopkeeper was kind and gave us ② (a few / a little / plenty of) biscuits to try. They looked good but tasted a bit strange.

We saw some pot plants near the snack shop. There were ③ (a few / a little / plenty of) green tomatoes on the pot plants. It was amazing! We didn't buy any pot plants for Betty because she's always busy. She only has ④ (a few / a little / plenty of) time to take care of plants.

Then we went to see paintbrushes at a stationery shop. They were pretty but expensive. We only had ⑤ (a few / a little / plenty of) money. We decided to buy a small green paintbrush for Betty. We hope she'll like it.

We were very hungry after shopping. We went to a food court and ate ⑥ (a few / a little / plenty of) fish balls.
